

Child's Play Preschool

February 2019

Welcome to February!

We will begin this month by talking about Groundhog Day and what it means.

We will explore animals that hibernate in the desert.

This month our Science focus will be on Energy from the Sun.

Our Music and Me focus will be Animals- A-Dancing. We will explore different animals and their habits through music and movement.

We will continue learning our ABC's and the sounds they make through our Frog Street Press big books and our handwriting curriculum.

We are going to explore the writings of Robert Munsch this month. If you want a good laugh, read *Thomas' Snowsuit*.

We will be participating in the Read-A-Thon this year, which runs from Feb. 27th – March 8th. The money raised will go toward continuing our use of SeeSaw and other early learning apps. More info will follow.

Preschool is being added to the school yearbook this year! If you would like to order a copy you can do so at this link before 3/25
