

## Specials

In music we are practicing beat by creating our own music. We used cards with music notes to create music and a friend had to clap it out. In PE we have been practicing locomotor skills and making them stronger. We have practiced sliding, skipping, galloping, and started to practice balancing using a bean bag. In art we have been working really hard to follow teacher directed activities. Ms. Parsons will give us the activity for the day, directions, and we have to wait before moving on to the next task. We colored a shape sheet the other day but we had to follow the direction of finding the shape, coloring it the color it said, then waiting to move on. It is hard to wait sometimes.. STEM had us venturing to South Africa and dinosaur discoveries! We even got to see real fossils!

## Some Books We've Read

1. Pete The Cat "I Love My White Shoes"
2. "Chicka Chicka Boom Boom"
3. "Let It Fall"
4. "I know an Old Lady Who Swallowed some Leaves"
5. "The Fox and the Falling Leaves"
