

LMES Preschool Newsletter

September 2018

August-

What a great start to our school year! Our first week of school had our friends getting to know each other, our classroom, the rules of our classroom and the school too.

We began our second week with our All About Me theme. We all loved creating our first self-portrait and answering questions about ourselves. We read everyone's answers as a group, and the children loved hearing who liked the same things as them.

We talked about the letter A and the sound it makes. We found some words and some of our friend's names that start with the letter A.

“Yoga Makes Me Strong” are some of our favorite activities.

September-

September will be a time that we continue talking about ourselves, our feelings, and how others feel too. We will begin our Kindermusik curriculum as well. This program will have the children singing, dancing, playing instruments and learning in a fun interactive way. You will receive login code for their site and can view activities and songs that we have done in class and you can sing the same songs at home with your child.

We will also introduce our Sanford Harmony program, and Frog Street Press. Sanford harmony is a socio-emotional program that promotes strong classroom relationships amongst all students and will be incorporated into our daily plans. Frog street Press is a research-based curriculum that we will use to promote language development and early literacy skills. The themes covered this year will be letters, numbers, shapes, colors, and nursery rhymes.

Upcoming dates, reminders, class activities, etc...

September- Frog Street Press-Letters A, E, F.

Kindermusik Unit 1- On the Go.

Also in the month of September- Colors and shapes with Frog Street Press

Specials

We started the year at PE with gymnastics. We practiced bridges, V-seats, log rolls, and other activities that got our bodies moving.

Art-During Art with Mrs. Parsons, we made our handprints with a special saying, watched a brief video of the book, “Put Me in the Zoo” We created our own animal with spots.

Mandarin- We love Mandarin! We've learned how to say hello, goodbye, and count to 5. We also understand other words like stand up and sit down.

Some Books we've read...

Pete the Cat

Happy Pig Day

We are Growing

Pig the Pug

Don't Let The Pigeon Drive the Bus

Apple Annie (letter A)

Funny Fish (letter F)
