Queridos Padres:

I hope you are all having a wonderful spring break! Thank you all for coming to our parent/teacher conversations; it was a pleasure to speak with you about your child's progress.

This month we will be working on an art project for "Art in the Garden." The artist we will be focusing on is Lois Ehlert. Your child's art will be displayed in May. If you have any books that are illustrated by Lois Ehlert we would love to borrow them for this project. There will be details to follow. In addition, we will be also starting a project to bring us through the end of the year. The children are very interested in our garden. This garden project has sprouted from a simple question: "What's that?" We will be growing flowers from seeds and comparing them to fully-grown plants and see where our little minds will take us.

Our Dad's breakfast is coming up quickly, please let us know if you will be able to attend and/or help us with the set up. Be on the lookout for our sign up genius.

Feliz cumpleaños Nicholas
