

# LMES PRESCHOOL OCTOBER NEWSLETTER

This year is moving right along! They say time flies when you're having fun.

September was filled with many fun activities and a time to continue creating friendships. We are seeing many friendships blossom amongst the kids as they learn about each other and who they enjoying playing with. We also started our Sanford Harmony buddy system where we will pair some friends up who don't typically play together to encourage new friendships and conversations.

Some of our favorite activities for September were sharing our "About Me" posters with our friends and creating our snack mats.

October will be filled with excitement as the children start seeing all those Halloween decorations popping up... We will participate in the LMES Storybook parade on October 31<sup>st</sup>. More information to follow on this very fun storybook parade. (The preschool children will also be able to visit classrooms on this day for some special treats...)

We will finish our colors theme to start the month of October by seeing what happens when we mix certain colors. We will begin a shape theme after that and continue using the Frog Street Press color and shape theme units with our other activities.

ABC Music and Me/Kindermusik-

Home Sweet Home- Human and animal homes

Learning focus- I can move high and low. I can make high and low sounds. I can pretend

Letters of the month- letters that are straight and also curvy.

B, C, D

10/18 & 10/19- Preschool is closed for portfolio conference

10/18-conferences 9:30-11:30

10/31= Storybook Parade

Sensory art! We love painting with our hands! We also practiced cutting when we went to visit Mrs. Parsons for art. We cut out a cloud shape and glued the colors of the rainbow to it.

We love creating with our new magnetiles! We received 3 new boxes! 300 magnetiles! Our creations have been amazing!
