Desert Sun Academy

Vision Statement: Child's Play Preschool believes children should be given an opportunity to create their own knowledge by actively exploring the inside and outside environments. We provide a safe, special place for children, families and staff to grow physically, socially and cognitively through their daily experiences at our centers.

Long Term Vision: When students arrive at Desert Sun, they can build on their early foundation and continue learning Spanish in Kindergarten. French is also an option.

Program Description: This preschool class, housed at the Desert Sun, allows children between 3-5 years of age to experience their day learning 3 languages in Spanish/French/English. Language immersion is an educational approach, especially effective for young children that result in second language acquisition.

Instructional Time:
9:10-12:10 or 9:10-3:10

Choose from:

- Monday through Friday
