

Global Beginnings: World Language Spanish/French at the Desert Sun Academy

Vision Statement: Child's Play Preschool believes children should be given an opportunity to create their own knowledge by actively exploring the inside and outside environments. We provide a safe, special place for children, families and staff to grow physically, socially and cognitively through their daily experiences at our centers.

Long Term Vision: When students move into K-6, they can continue to build on their early foundation of learning languages at DSA.

Program Description: This preschool class, housed at Desert Sun, allows children between 3-5 years of age to experience their day learning 3 languages in Spanish/French/English. Language immersion is an educational approach, especially effective for young children that result in second language acquisition.

Instructional Time:
9:10 AM-3:10 PM

Choose from:

- Monday through Friday
- Tuesday and Thursday
- Monday, Wednesday and Friday

GOALS To develop...

1) ...oral communication (both receptive and productive) in a second language.

2) ...an understanding, appreciation and positive attitude toward other cultures.

3) ...confidence in learning a new world language
