Notes from Sra. Brandi

This last month has been wonderful! We have had a lot of fun meeting our new friends, playing and making our family picture frames.

This upcoming week, we will be working on our garden and our hand print stepping stones.

For September, we will work on writing our names, making self-portraits and singing our favorite songs in Spanish. We will continue working on mindfulness by being aware of our breathing and relaxing our bodies. Thank you on all your support.

We are looking forward to a great month!
